CABERNET SAUVIGNON

COOMBSVILLE

NAPA VALLEY

The Pact showcases the remarkable Coombsville appellation in the eastern foothills south of Atlas Peak. It is Napa Valley's newest appellation and Faust's home vineyard location. The marine breeze from nearby San Pablo Bay provides a cooler climate than Napa Valley's more northern appellations allowing for slow, even ripening and an extended hang time which results in excellent structure, dark fruit character and layered complexity.

The Pact honors one of the most famous agreements in literature – the pivotal moment when Dr. Faust trades his soul for renewed passion and youth. It also speaks to Agustin's belief in Coombsville and all that it has to offer – power, complexity and elegance.
